

We are diverse, experienced experts that work at a national level on some of the most rewarding projects in our fields. Every project has a story and we want to add your story to ours!

The Search:

Our Denver Tech Center office is currently seeking a Senior Level Interior Designer with extensive experience in the design and of interior design commissions. The successful candidate will have a proven record in client/customer service and a commitment to excellence in design and delivery of services. A true performer will have boundless opportunities for personal growth and success.

Required credentials and experience include:

- A minimum of 8-10 years' experience in Hospitality, Senior Care Living (others will be considered based on experience)
- Proficient in Revit. Candidate with strong background in Cad will be considered
- Experienced and talented in design and detailing for interior environments
- Interior Design degree required
- NCIDQ, IIDA, ASID, LEED Certified, NEWH (a plus)
- Proficient at specification writing for both finishes and FF&E
- Able to manage multiple priorities under time constraints
- Must be able to travel locally and nationally 5%-15% of the time
- Ability to work independently and as part of a team

The Successful Candidate will:

- Be a high driver, personable, outgoing, resourceful and committed to the highest level of client service. Natural ability to lead others.
- Be innovative, a strategic thinker and a natural relationship maker and leader
- Do "WHATEVER IT TAKES" to exceed expectations of our clients and staff
- The ability to manage a team and participate in the design process from start to finish
- Detail oriented, organized, self-starter and willing to ask questions
- Someone who exemplifies the "PLATINUM SERVICE" attitude of the firm
- Capable of contributing to all stages of the design process: conceptual design, schematic design, design development, construction documents, construction administration and FF&E installation

The Culture:

The first "person" you meet at LBA might be one of our dog friendly office ambassadors. We focus on what matters and have the confidence and seasoned leaders that come with over 30 years of leading our field. We grow together and expand our horizons with thoughtful training programs. We set clear paths for advancement and give you the tools to succeed.

The Perks:

- Excellent 401k Program
- Health and Wellness Program – Health, Dental and Vision Coverage, Gym & Massage reimbursements
- Great Office Culture: Wednesday Wellness & Monthly Happy Hours
- Free parking
- Short walk to a Light Rail station
- Flex Office Hours
- Life and Disability Insurance
- Considering relocating? Colorado attractions include arts, nature, music festivals, hot springs, historical wonders and, of course, the Rocky Mountains and national parks. We have one of the youngest, most educated, and most diverse populations with one of the nation's best economies.

Legal Stuff:

Lantz-Boggio Architects is an Equal Employment Opportunity Employer and does not tolerate discrimination based on a protected category in all terms and conditions of employment, including hiring.
